ANNUAL SCIENTIFIC CONFERENCE OF THE
CENTRAL EUROPEAN ACADEMY

2-3 OCTOBER
2025

ORGANISER

Central European Academy

DATE OF THE CONFERENCE

2-3 October 2025

VENUE OF THE CONFERENCE

Mercure Budapest Castle Hill auditoriums, 1013 Budapest, Krisztina str. 41-43

CONCEPT

The conference, traditionally organized for the fourth time by the Central European Academy, aims to bring together outstanding young researchers from across the Central European region. It provides a platform for the next generation of legal scholars to engage in discussions on the most relevant and topical legal issues facing the region today. By facilitating the exchange of ideas, innovative regulatory solutions, and effective best practices, the conference seeks to foster deeper cooperation among neighboring countries and contribute to the development of a shared Central European approach to these challenges. The event will be structured around several thematic panels, each organized by Ph.D. students of the Central European Comparative Law program at the Ferenc Deák Doctoral School of Law, University of Miskolc and research interns at the Central European Academy. The panels will cover a broad range of legal fields, including constitutional law, energy law, contract law, family law, financial law, criminal law, labor law, EU law, and international law. In addition, the conference will feature dedicated panels addressing current legal challenges within the jurisprudences of Poland, Slovakia, Croatia, and Serbia.

The 'ASCEA' conference is organised within the framework of the collaboration with the Ministry of EU Affairs on the occasion of the Hungarian Presidency of the Council of the European Union.
